YOGA (CONTINUED) but starting with a new coach from January 20th as Mrs. Bozzo is leaving	Yoga is in this sense the practice of being conscious of all that we have, and tending to it with love and honor. The secret to health and happiness lies deep within every human. Yoga is the science of discovering one's own self - the very source of pure consciousness, peace and bliss. Everyone knows that we don't feel good and we get stressed when there is disharmony in our lives, when our bodies are tired and our busy minds constantly chatter and judge. Through the discipline of Yoga we become more aware of ourselves by doing simple postures, breathing techniques, meditation, and relaxation to rejuvenate the body and quite the mind. It is in this manner that we cultivate harmony in ourselves.
