

AISV Lower School Presented a Traditional Holiday Concert:

“The Little Bell That Could Not Ring”

By Marija K.

All lower school students were waiting for Wednesday! It was the day of our winter concert. Toddlers were the first to sing a song “Snowflake” and say a poem “A Little Snowman”. They were so cute! After, we had a lot of wonderful performances by students, clubs, and their coaches.

Later, Grades 3 and 4 presented the musical “The Little Bell That Could Not Ring”. The students sang “Ring The Merry Bells”, “Drown Her Out”, “Alleliua”, Christmas is Love (4th grade girls)”, and last but not least “It’s Christmas”. The play was about a family of bells which has to ring in a concert and which the most little member could not ring! Once the little bell was practicing and guided Santa from a snow storm. The little bell learned how to ring and the bell family lived happy ever after.

I enjoyed the concert a lot! I hope everybody did too!
