

Dear Parents,

Below you will find the list of supplies your child(ren) will need to bring on the first day of school in August. These are the items the school does not provide. NB! These items may need to be replaced/refilled and turned in to the classroom teacher after Winter break. All supplies and clothing should be clearly marked with the student's name.

## GRADE 6-12

---

**General supplies needed for all classes** Please buy enough to last the entire year.

A utensil case that includes: Pencils; pencil sharpener; colored pencils; pens (blue, black and red); erasable pens; erasers; scissors; glue sticks; ruler – cm and inches; a compass (skriestuvas); a protractor; highlighters (at least two different colors)

**Bring Your Own Device Policy for Gr. 6-12** Students are required to bring their own computer and headphones to school every day. The device has to be charged and ready to use. We encourage the students to have a laptop computer (Mac or PC platform or Chromebook), and although an iPad, a smart Tablet should suffice, **attachable keyboard is required for these type of devices.**

**Students in grades 6-10** will be required to purchase two PE kits (shirts and shorts) at the beginning of the school year. These are billed to families. Students are required to have non-marking gym shoes.

All other classes require a student to have an A4 notebook (lined and gridded for science and math) and document folder.

**Students in grades 8-12** are required to have their own TI-84 Plus CE graphing display calculator (GDC) for use in math classes. These can be purchased from the school for €150 (billed to the families) or purchased on Amazon.de. They are not sold in Lithuania.
